

The Universal School

CIPP IGCSE IBDP

An IB World School

Selecting the right school is the best gift you can give your child

Vision

Our singular endeavor is to encourage children to be creative, confident and articulate. Our goal is to prepare and inspire our learners for a positive future. We know that as parents, you care about your child more than anyone, but we believe we come in a close second.

Mission

To unearth and unlock potentials, thereby creating leaders capable of lifelong learning and independent thought. To this end, we will do everything in our power to create an educational system that maximizes potential, encourages the use of technology and extends out of the textbook into real life.

r>e>a>l> Redefining Education and Learning

An integrated, comprehensive, KG to PG Learning Model - designed and refined over the last 3 decades

An intellectually demanding curriculum that combines academic rigour with practical relevance

Robust learning facilities that are exciting, flexible, healthy, secure and sustainable

Engaging technology-rich content delivered interactively to make learning come alive

An efficient administration that delivers smart solutions for learner satisfaction and success

Emphasis on wholesome growth through creativity, values, fitness, cultural literacy & life/career skills

Learning & Pedagogy

Integration and adaptation of the best available international teaching and learning practices.

- Student-centric approach
- Enquiry-based teaching-learning
- Hands-on active learning
- Real-life connect and experiential learning
- Technology integration for blended learning
- Investigation, experimentation and demonstration
- Interdisciplinary approach
- Differentiation, scaffolding and remediation

Visual & Performing Arts

- Expressions School of Music & Performing Arts
- Dramatics
- Art & Design

Rumpus Room

A fun, vibrant zone with a variety of play and learning equipment that builds essential skills as well as enhances the happiness quotient of our young learners.

Technology

Preparing Responsible Netizens

Cyber safety is a part of our curriculum and regular awareness is conducted with students, parents and staff members.

Audio-Visual Classroom Systems

Audio-Visual technology is a powerful tool that enables teachers to present information and complex ideas in an easy-to-understand method.

Learning with Tablets and Laptops

Students and teachers have access to tablets that are used on a one-on-one basis to research, explore and create. There are bi-weekly slots during which students learn to examine different content and work on concept-specific interactive books, games and projects.

Students also have access to the Laptop Lab where each student works on a structured ICT curriculum. Students create assignments and several projects as a part of their coursework. They also learn to 'Code' through the 'Scratch' programming language.

E-library

Digital Library has an online database of digital books, audio and video content that enhances student learning.

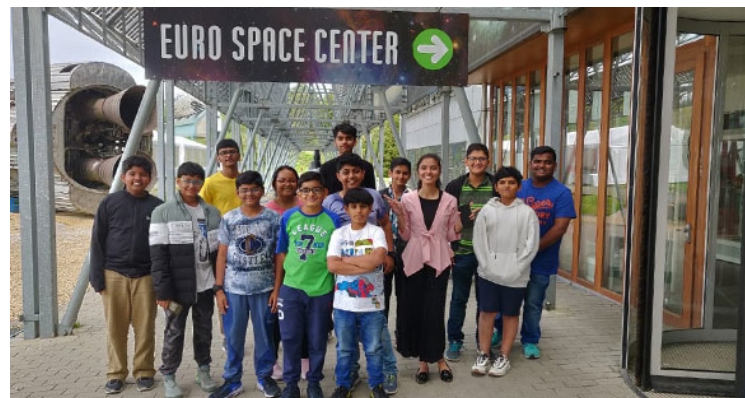

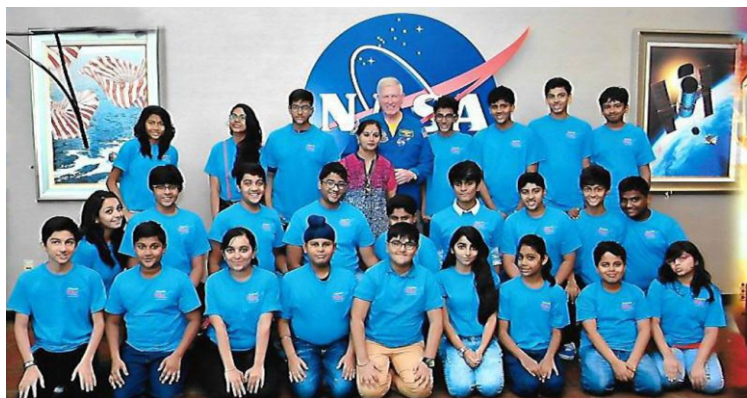

Sports

We at Universal, encourage students to participate in sports activities not only for enjoyment and exercise but also for building essential skills. Students get an opportunity to explore a variety of sports, such as Martial Arts, Athletics, Table Tennis, Cricket, Badminton and Chess.

Collaborations & Exchange Programmes

Universal Education engages with several organisations locally and globally on a range of projects, Model United Nations, community outreach and sustainable living, embedding international learning throughout the academic year. Our school is associated with several reputed organisations like British Council, Eco-schools, Indian Development Foundation, Habitat for Humanity, The Terry Fox Foundation, Initiatives of Change, Trinity College of London and many more.

Career Guidance

- Dedicated in-house career counsellors help students from Grades 9-12 make an informed decision about their educational and career choices
- Talks and meetings with University Placement Officers of India and abroad are regularly held in the school
- Parents and students are provided with enough exposure and information throughout their senior years to be equipped with pertinent information

Personal Counselling and Remedial Education

Psychologists and special educators take care of the personal, social, behavioural and educational development of students as per their individual needs.

Health & Safety

- CCTV surveillance with a centralised command centre
- Fire evacuation drills
- Regular health checkups
- Child protection workshops with staff

Food Services

All students are served nutritious vegetarian meals during the short break. Jain food is also be made available as per requests. The menu is prepared and reviewed regularly by nutritionists.

Ranked **2nd** in Zone C & **8th** in Mumbai
